3/23 Let Us Breathe

Last weekend, C4 worked with CRCQL to run Let Us Breathe, an asthma awareness event. Due to the proximity to the Covanta incinerator, the pediatric asthma rate in Chester is over 4 times higher than the national average. Chester residents got to see educational content, build and take home Corsi-Rosenthal Air Filter Boxes, and get involved in the fight against Covanta.

3/30 SUBARU CANVASSING

C4 students went canvassing at the Subaru Stadium on March 30th. This time we prepared a fun challenge for the spectators, in which participants can kick a soccer ball into a net and get a chance to answer CRCQL and EJ-related questions. Soft pretzels were awarded to those who got them right. Surprisingly, many people didn't realize that they were in the city of Chester until they were asked a question about it! The soccer ball challenge and pretzels helped C4 students create a friendly rapport between the patrons and the Chester Community. We will definitely be doing it again!

4/20 EJ MARCH

CRCQL's annual EJ March is happening on 4/20!

We will be marching through the city with beating drums to raise awareness about EJ in Chester. Community gatherings and catered food are provided at the end! [Sign up](#) for a van spot to the march and get a free C4 T-shirt, learn more about Chester, and join the fun!
