4/20 EJ MARCH

CRCQL's Environmental Justice March last Saturday was a huge success! Over 250 people came from Chester and around the country to demand the right to clean, breathable air for Chester residents.

4/4 Stormwater Authority Meeting

Stormwater Authority of Chester (SAC) had an interactive Q&A session with the board members and failed to address the questions of the residents appropriately. The EPA recommended that the City of Chester take action to solve stormwater issues, but the establishment of SAC was not mandatory.

There is no reason for the city to charge extra fees to the residents in bankruptcy, creating an unnecessary bureaucracy when we have the support from the community to take care of this issue collectively.

CHESTER FUN FACT

The Newsy Dog recently named their new burger, "The Z Hell Raiser," after Ms. Zulene Mayfield, founder and chairperson of CRCQL!

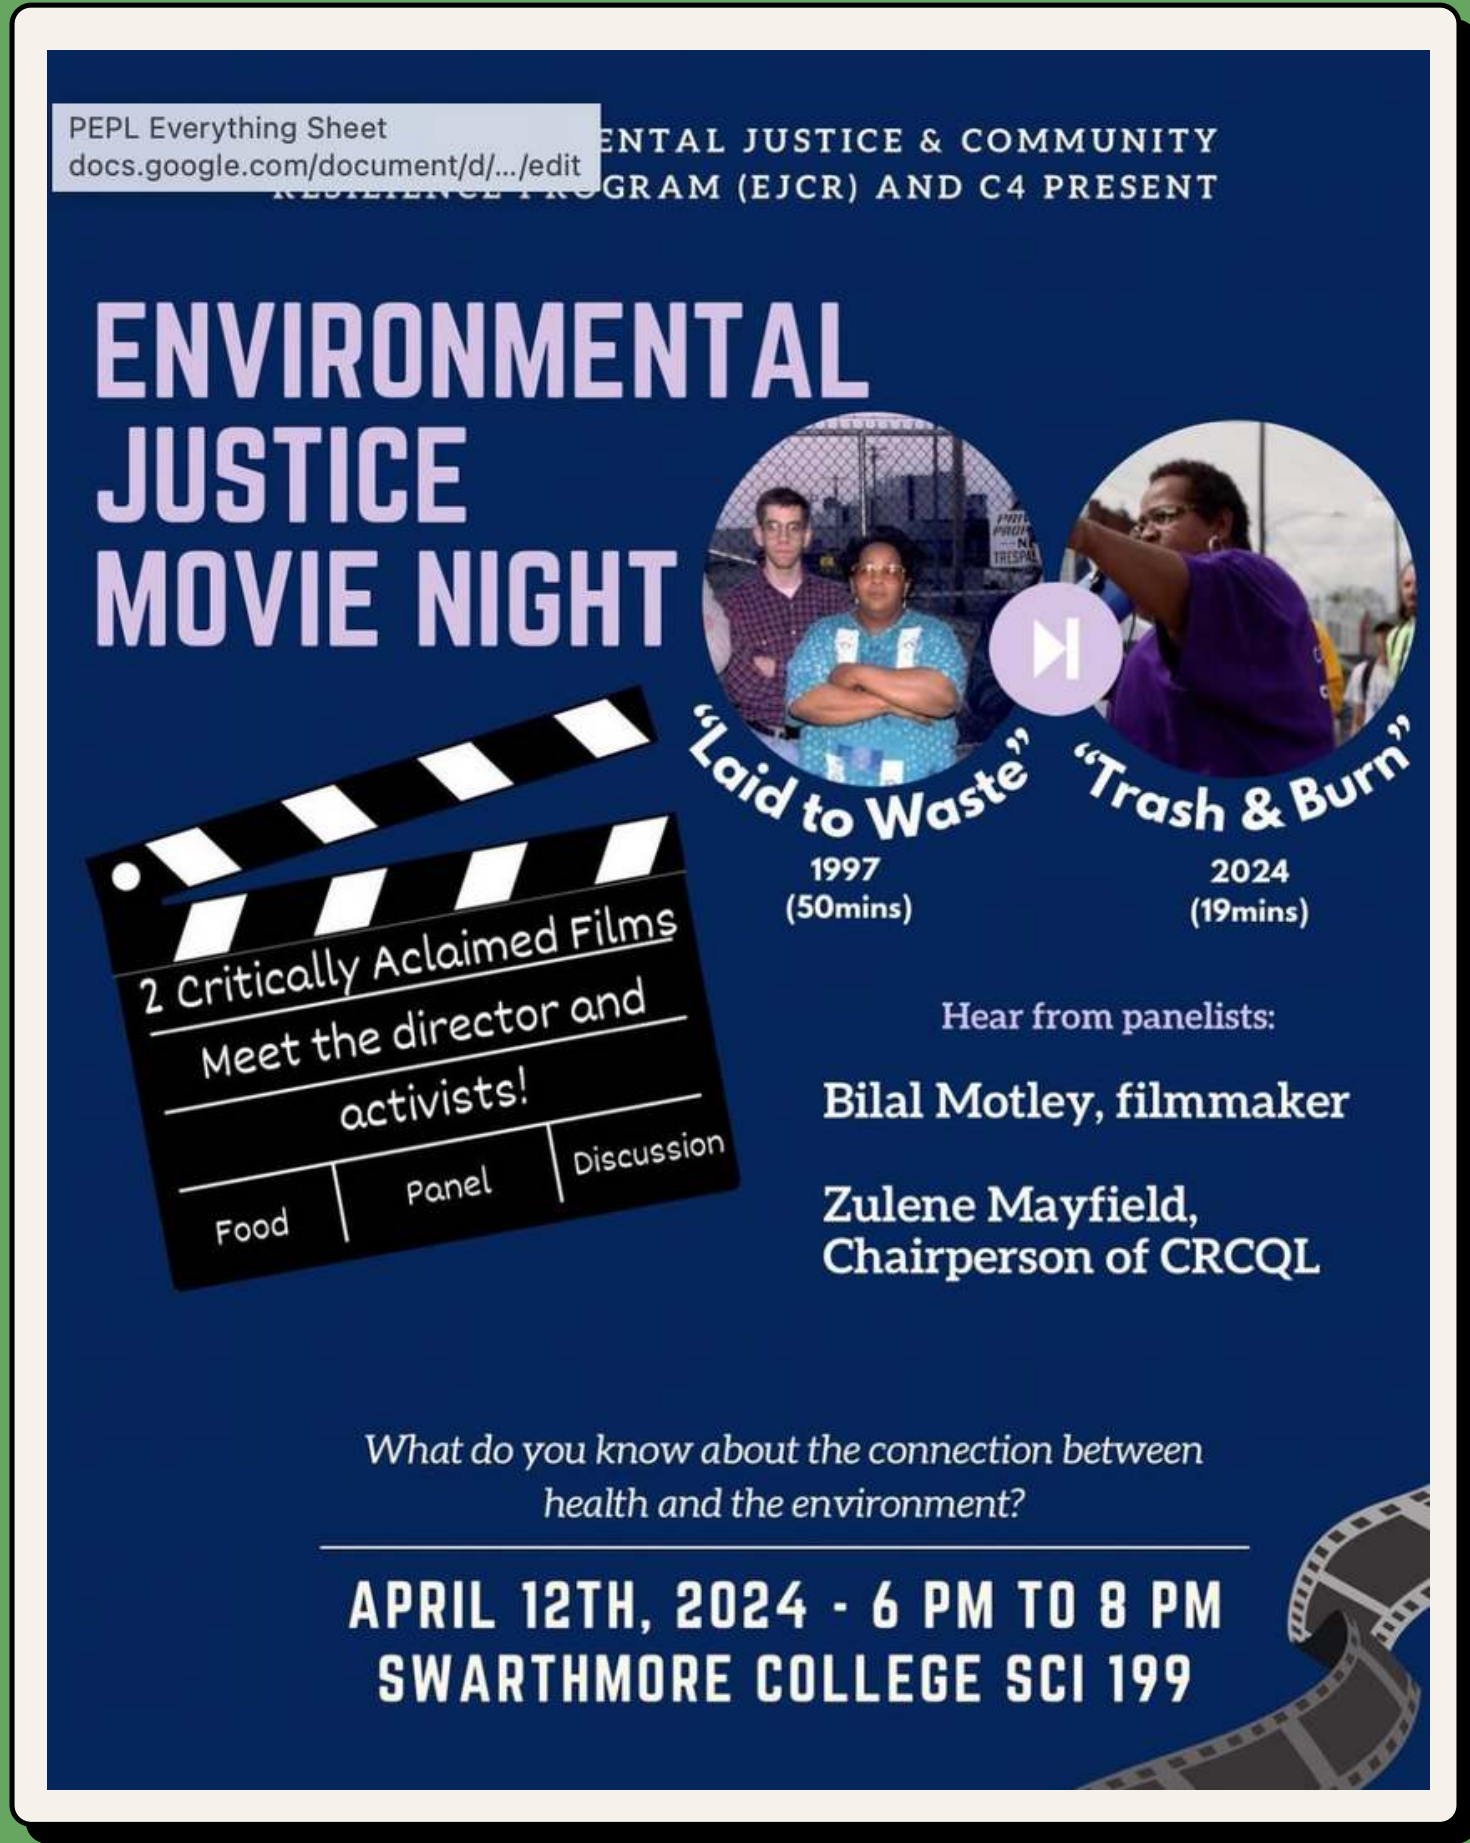

They are located at 7th st and Ave. of the States in Chester!

4/12 EJ Movie Night

C4 hosted an environmental justice movie night on April 12th.

We screened "Laid to Waste" (1997) and "Trash & Burn" (2024), followed by an awesome panel discussion with "Trash & Burn" Director Bilal Motely, Health EducatED Founder Dr. Kristin Ball Motley, and Miss Zulene, facilitated by our own Kayla Miller!!

WHAT TO DO IF YOU CAN'T MAKE C4 MEETINGS

If you can't attend on Wednesdays at 7pm, you can still go to CRCQL meetings directly!!

CRCQL holds general meetings every-other [Thursday at 7pm](#), and action meetings every other Tuesday at 6:30pm (email rcraig1@swarthmore.edu if interested).

The meetings alternate so there is only one CRCQL meeting each week (example: action meeting was this Tuesday the 19th, the next general meeting will be next week on Thursday the 28th).

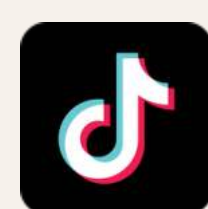

You can also keep up with C4 through our [weekly meeting notes](#) document!!
