

These are the updates from Swat C4 for the next two weeks. If you have an event or update that people within C4 should know about please submit a form or email the names listed on the bottom of the page. Thank you for your help and action!

SWAT C4 NEWSLETTER

January 2025

1/25-26 GEC RETREAT

The GEC kicked off the new year with a retreat at ReEntry Farm and The Healing Station. We enjoyed a fire, painted freedom dream and shared goals for the year!

1/24 C4 @ CLUB FAIR

C4 found plenty new and returning members at the club fair. We are excited to see more tote bags in the wild

1/30 MONROE ENERGY HEARING

The DEP hosted a permit renewal public hearing and four C4 students gave testimony. We were joined by EQAT, Delaware River Keepers, Marcus Hook EJ groups, and students from Penn, Haverford, and Bryn Mawr. **Keep up the pressure at the next hearing 2/11!**

1/27 1ST C4 MEETING

C4 filled all rows at our first meeting of the semester! Please come again and invite your friends. **C4 meets weekly in Sci 181, Mondays 5-6pm**

2/13 MACH2 ZOOM POSTPONED?!

MACH2 has failed in good-faith public participation and outreach!

The Mid-Atlantic Hydrogen Hub - Phase 1 Award Virtual Community Briefing webinar has been cancelled.

The host has sent you a message:

Thank you for your interest in the Mid-Atlantic Community Briefing. We are postponing this briefing until further notice. We will post the new date and notify everyone registered for the webinar as soon as it becomes available. Thank you for your understanding.

RESEARCH TEAM MEETINGS

Do you like mapping, science communication, and deciphering government documents? The C4 Research Team meets Sundays 3pm in Kohlberg 115! Contact acrill1@swarthmore.edu for more info

GEC SOLARAG LABS @ YEAH

PHILLY

Join GEC Wednesdays 5-7pm and Saturdays 12-2pm at YeahPhilly for the next cohort of SolarAG Labs, combining EJ and STEM education. Contact abrown10@swarthmore.edu if interested

SAVE THE DATES!

3/15: LET US BREATHE @ ACCESS CENTER

Join us for the second annual Asthma Awareness event: Let Us Breathe. Activities include skits, inhaler tutorials, homemade air filters, crafts, and more! Please contact lturner1@swarthmore.edu if interested in helping plan

3/1: LNG & MACH 2 COMMUNITY MEETING

Help C4 and CRCQL build community power by shining light on the harmful industries targeting Chester: Liquefied Natural Gas and Hydrogen Hubs. Learn more about [LNG](#) and [MACH2](#) on CRCQL's website.

5/3: EJ MARCH

Save Worthstock for Sunday! Join us for the fifth annual EJ March through Chester to raise awareness of environmental injustice! Bring your friends and voices. Transportation and food provided.

WHAT TO DO IF YOU CAN'T MAKE C4 MEETINGS

If you can't attend on Mondays at 5pm, you can still go to CRCQL meetings directly!! CRCQL holds general meetings every-other [Thursday at 7pm](#), and action meetings every other Tuesday at 6:30pm (email lturner1@swarthmore.edu if interested). The meetings alternate so there is only one CRCQL meeting each week.

You can also keep up with C4 through our [weekly meeting notes](#) document!!

CRCQL MEETINGS
